18 Persons Hurt In Area Traffic Accidents

7 Injuries In Two Crashes On Madison Ave. Sunday Evening

Increased traffic resulting from a pleasant weather weekend was blamed for the 18 injuries suffered in 10 of 21 crashes occurring in and near the Quad Cities.

Yesterday evening in two separate two-car collisions, seven injuries were reported on Madison avenue between 27th and 28th street and on 23rd street.

Five Persons Hurt

Five persons, including three Granite City Army Depot soldiers, were injured in an auto accident at 5:55 p.m. Sunday at 27th street and Madison avenue. The driver of one car, Ralph Nicholas, 19, of the depot, faces three charges.

Taken to St. Elizabeth Hospital were Marvin L. Wallace, 23, of 2733 Washington avenue, and his wife, Wanda Wallace, 22. He suffered lacerations and abrasions and she suffered abrasions. Both were admitted.

Treated at the depot were Nicholas, and two passengers, Edward Morris, 21, and Mike Whittr, Nicholas reported to the police station at 7:40 p.m. where he was charged with running a red light, having no driver's license and illegal transportation of liquor.

Police said he disregarded a red light signal as Wallace was making a left turn onto Madison avenue. Wallace, 27th street. The front of the Nicholas car and the left side of the car were damaged.

Two Hurt In Crash

Harold Duckworth, 54, of Caseyville, and his wife, Mrs. Anna Duckworth, were injured in an auto accident at 7:30 p.m. Sunday when his car collided with one driven by Dennis C. Tolbert, 23, of 2028 Dewey avenue, at 23rd street and Madison avenue.

They were taken to St. Elizabeth Hospital where she was treated for pains in both shoulders and left knee and he for pains in the right knee. They were released. Police said Tolbert headed south on Madison, could not stop for a traffic signal and was struck in the right rear by Duckworth's car.

On 23rd street, Tolbert was charged with a right-of-way violation and posted his driver's license as safe.

Car Rolls Over

Two Granite City cars were injured when a southbound car driven by George Amisch, 32, of 2606 Madison avenue, blew a tire, ran off of the road and rolled over on Route 3 eight miles south of Waterloo at 3:45 a.m. today.

Amisch and Marshal Dyer, 22, of 2516 Nankook road, were taken to St. Elizabeth's Hospital. Amisch was receiving surgery for back injuries. Dyer had a fractured clavicle. The hospital said both were in fair condition today.

Struck by an auto in front of her home, 945 Niedringhaus road, at 1:05 p.m. Saturday, Evelyn Baker, six years old, was admitted to St. Elizabeth Hospital. She reported pains in the right

Bi-State Aids Budget; Monthly Pass Continued

An operating budget of \$22,822,000, including an estimated surplus of \$83,808, for the year ending Feb. 28, 1965, was unanimously approved Friday afternoon at a meeting of the Bi-State Development Agency.

The budget will be no increase in fares.

A further decline in revenues from the present year is anticipated, but expenses of \$22,738,192 reflect a reduction of approximately \$1,000 below the expected 1964 level. This is expected to be accomplished through increased operating efficiency and stabilizing of costs.

For the first 10 months of Bi-State operation, the transit system showed a loss of \$4,232,112. Revenues were \$10,232,828 and expenses, including fund requirements, were \$15,464,940.

Of the operating deficit, \$98,275 occurred in January when revenues fell \$85,000 below the estimate and severe snowstorms added \$36,000 to costs.

A capital budget of \$4,822,600 also was adopted by the agency for next fiscal year. Major items included 50 new air-conditioned buses for \$1,570,000, already ordered for delivery this spring, and installation of air conditioning units on 50 other buses for this summer. Provision for additional bus purchases of \$1,000,000 also was made.

Continued Monthly Pass

St. Charles, Mo., administrative officer of Transit Services Corp., reported that sale of \$12 monthly unlimited ride passes had increased from 5,900 in the first five months to 8,400 in February. The commissions voted to extend the experimental sale of passes for another six months.

Robinson also informed the commissioners that, after a series of 18 meetings, most of the last three St. Louis street cars are being replaced with buses at the request of the city of St. Louis.

A former car barn of the St. Louis Public Service Co., no longer in use by Bi-State, was leased for five years at \$20,000 per year to the Lohr Distributing Co. The garage, located on Foster avenue, had been offered for sale at public bid but no satisfactory price was obtained.

At the end of the five-year lease period, Lohr has an option to buy the property for \$150,000. In addition to the lease, a potential sale income, Bi-State is eliminating about \$24,000 annually from the watchman service at the property.

Formal approval was given by the agency to an application for a \$357,000 federal aid. The money, as previously reported, will be used to operate new rapid transit routes in a one-year demonstration program. Two of the routes will be in the Quad Cities area.

An interest-bearing \$104,000

Park Board Seeks Figures For Ice Rink

\$228,090 Cost; Study To Be Made On Charges, Costs In Other Cities

After receiving an architect's estimate of \$228,090 for the construction of an artificial ice rink at Wilson Park, the Granite City park district board is planning a survey of rink operations in Illinois and the St. Louis area.

President Barry Loman said Saturday the board will seek financial statements from other rinks to determine if the operation could be economically successful.

"We want to know how much income is being made and how much expenses are," Loman said.

The board met at a special meeting Saturday with architect Gabriel & Dulgeroff who submitted the estimate. The board agreed serious investigation into present plans may enable some costs to be cut from that figure.

Plans call for the rink to be built just east of the main concession stand at the Wilson Park playground. The concession stand would be revamped to serve the rink and the present restrooms could be used.

\$5100 Foot Rink

The public rink would measure 85 by 100 feet with an adjoining 40 by 48-foot shelter and a 40 by 30-foot warming house. Construction is estimated to cost \$152,400.

Loman said the board is considering financing the project by revenue bonds or general obligation bonds. He said no decision has been made on admission or skate rental fees.

Gabriel said the rink would accommodate about 300 skaters. In recent years, skaters have been using an outdoor pond at the park.

The board will seek bids to enlarge the concrete patio at the swimming pool.

Also at the meeting were representatives of Harbord Bartholomew & Associates of St. Louis. They agreed to submit a proposal, probably within 10 days, on planning the new 20-acre park off Mayville road.

The board has received proposals from two other planning firms and a decision is anticipated in the next few days.

Kenneth Ferro was third in oral reading. Vianey Williams placed fourth in extemporaneous speaking and Becky Shaw competed in poetry reading.

and expectant mothers included) by physicians at anyone missed both doses, they can receive both from personal physicians. In either case, it is important to remember that the two doses should be taken within two months of each other.

In addition, the March of Dimes has prepared a question and answer sheet to further explain the program to Quad-Cities.

Questions And Answers

Q: What are the advantages of oral polio vaccine over the other type?

A: The ease with which the vaccine can be given—by mouth, instead of by an injection needle, is a big advantage. Another advantage is that this oral polio vaccine is designed to provide

what doctors call "intestinal immunity" against polio. This is not only affords the immunized person a real defense against polio by stimulating the production of antibodies in his blood, but also reduces the likelihood of his becoming a carrier of the disease. The vaccine is a live, attenuated virus vaccine. It contains a blend of the three strains of non-volant oral polio vaccine which are necessary for basic protection against polio.

Q: How is the vaccine administered?

A: After it is swallowed, the vaccine virus multiplies in the body to produce what doctors call "antibodies." These are the body's own defense against polio.

Q: How long can immunization protect a person after a person takes the vaccine?

A: Experts believe it will give a relatively long-term immunity against polio. Since immunization is a result of taking

Robberies In Quad-Cities Over Weekend

Thieves Steal Whisky, Cash, Front Yard Lamp

Thieves stole a wide assortment of items along with cash in 18 thefts reported since Thursday to Quad-Cities area authorities. The loot included a front yard lamp.

Burglars took \$180 worth of whisky, rum, vodka, brandy, cognac and gin in various-sized bottles, \$40 from a juke box and a 200 transistor radio during a break-in at the Orchard lounge on 83rd pass at between 130 and 10 a.m. Thursday, it was reported to the county sheriff's office that afternoon. Entry was gained by forcing the front door.

\$10 Theft At Garage

About \$40 was reported to be missing from the cash register at Paul's garage, Mitchell, and may have been stolen between 1 and 2 p.m. Friday. It was reported to the county sheriff's office by David Merz, night mechanic.

Merz said he had received a call to tow a red 1962 car with a flat tire from the Sunset Hill Holiday Inn motel and that he locked the door and the cash register. He said he could not locate the car, and when he returned, the door and the register were still locked. But when he started to use the register later, he unlocked it and found that the money was missing.

A police telephone was stolen from the wall in a break-in at Updike's service station on Highway 162 early Friday.

Merz reported to the sheriff's office at 6 a.m. About \$3 or \$4 in change may have been taken off a cash register. Authorities said, Entry was gained by prying the front door.

Canon Lost

Donald L. Bellard, 1901 Kirkpatrick Homes, reported at 7:05 p.m. Thursday that his green canvas home-made canoe was stolen from the back yard at 2000 South near the old Big Oak Tavern.

State Trooper Glen Sprankle had been doing a search for kerosene and burned before being abandoned in the ditch. It had no gas in the tank.

The bandit was described being about 25 years old and needing a shave. He was about 5'4" tall, had dark hair, blue eyes and was wearing an army jacket and khaki pants.

Two men were being sought for an armed robbery which netted \$48 and a 1962 call at the Derby service station on Route 203 south of Madison at 10:15 p.m. Saturday.

Both suspects are Negroes, one being 28 to 32 years old, five-nine in height, slender build, wearing a dark suit, white shirt and glasses. The other was described as five-eight, medium build, dark hair, brown hair and sunglasses.

They left in a dark blue 1963 Buick Wildcat. The car was reported in the Madison school district, McCambridge avenue viaduct in Madison, but could not be located by the police.

One entered the station and bought cigarettes from a machine before turning around and confronting the attendant, Dennis Crockett, Centerville township, with a .38-caliber revolver. As he told him that "we want the money," the other robber left the auto and entered the station.

Crockett told him he was unable to open a safe, but was forced to open a smaller safe, which yielded the money and checks. They also emptied the attendant's coin changer. They then left the station and the station reported in the Madison school district, where five have filed for three positions, or in the Venice school district, where they have filed for two board posts.

Two Plead Guilty, Ask For Probation

John Holik, 18, of 1628 Cleveland blvd., and Roger Clements, 17, of 2143 Benton street, pleaded guilty to two charges of burglary Friday in Madison county circuit court and asked for probation.

They were arrested after a burglary at Bob's tavern, 2100 Adams street, on Dec. 20, and admitted four other burglaries and thefts.

Stricken from the setting were armed robbery and attempt charges against Elbert Eugene Allen, 21, of the Granite City Engineer Depot, who was shot and critically wounded by Clarence Lyle, proprietor of Lyle's drug store, 21st street, and Delmar avenue, during an armed holdup last November.

Lyle suffered a superficial wound in the arm.

An armed robbery charge against William E. Evers, 18, of 2227 East 23rd street, was dismissed by the state's attorney.

He was charged with robbing two Granite City newsmen last December.

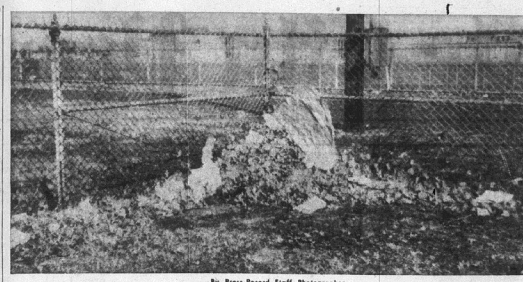

The murder trial of Wilton Louis Zachary, 30, of Madison charged in a fatal tavern shooting of John Allen Salmon, 24, of 2033 Fifth street, East Madison, in October, was continued until April 6.

Other cases on the docket set for today were those of Hugh Bertrand, Alfred Glison and Melvin Travis.

Runaways in California

Two runaway boys from Granite City were apprehended by the Los Angeles, Calif., police department, police here were notified at 10:25 p.m. Friday.

Their parents are making arrangements for their return on Monday.

WIND-BLOWN TRASH collects in a corner of the athletic field fence to give Quad-Cityans a visual clue that the month of March has arrived. Yesterday's warm temperature (65 degrees) and brisk winds found Quad-Cityans outdoors not only flying kites, but washing cars, practicing baseball, playing soccer, strolling and convertible riding with the top down.

Bicyclist Leaves Scene

A bicycle rider, about 14 years old, left the scene after he was struck by a car driven by Robert B. Shepherd, 21, at 10:25 p.m. Friday. He told police that the bike had no lights and his view was blocked by a parked car. He said the boy was not knocked off of the bicycle.

Car Burns, \$1000 Damage

Fire damage was estimated at \$1000 to the interior of a 1963 automobile owned by Maris Davis, Granite City Engineer Depot, at about midnight Friday at 20th street and Madison avenue. The cause was undetermined, firemen said.

"Sent Into The World" is the theme and discussion leaders will be Warren Deatour, Richard West, Ralph Reeder and D. G. Earnhardt. Rev. Dr. David B. Minton, pastor, will summarize.

Albert P. Busch, chairman, and A. J. Mueller sr., secretary, will conduct the business meeting.

New officers to be installed by the pastor are Carl Roach, chairman; Virgil Klaus, vice-chairman; Thomas Thorne, secretary; and Ralph Reeder, program chairman. Arrangements will be made for the Chicago area UPM meeting March 12 in Chicago.

John Seeks Accounting On Bus Company Funds

David E. John, secretary of the former Community Coach Co., has filed suit in Madison county circuit court against the company, George W. Stearns, its president, and a number of interested firms.

He seeks an accounting on the distribution of funds to stockholders from the sale of the local bus company to the Bi-State Agency. Bi-State paid \$400,000 for the firm when it consolidated all bus companies in the metropolitan area, and the suit said the company had a balance of \$251,502 for distribution to stockholders.

John also seeks \$4800 as salary due him through 1963, and charged that \$10,000 paid to Stearns as salary was without authorization.

He said that \$20,000 remained on deposit in the First Granite City National Bank, one of the defendants. He asked the court to determine the proper amount to be distributed to stockholders and to enjoin Stearns and the bank from a further distribution of money due the company from the bank or any other person or corporation.

Other defendants named were the Maryland Terrace Improvement Association, Tri-City Lumber Co., Madison Avenue Real Estate Co., Pontoon-Franklin Realty Co. and the Maryland Real Estate and Insurance Agency.

Right-Of-Way Charge

Cars driven by Rhea E. Davis, 18, of 2041 Rhodes street, Madison, and Eugene H. Gunderson, 22, of 730 Twenty-seventh place, were involved in an accident at 11:20 p.m. Friday at 26th and Benton streets. She was charged with failure to yield the right-of-way. Both cars were damaged.

Weed Fire Reported

Granite City firemen responded to a weed fire at an empty lot at 1738 Cleveland blvd., at 10:45 a.m. Saturday. It was caused by burning trash. There was no damage.

Mrs. Eubanks Heads Girl Scout Council

Mrs. George A. Eubanks, 3914 Franklin Avenue, who has been serving as vice-president of the River Bluffs Girl Scout Council, was elected to the post of president Thursday at Belleville in the change-over of executive offices for the first time. She succeeds Mrs. John H. Marsh of Belleville, the first president of the council.

Mrs. Eubanks presented to the council the background for camp development.

"By 1970," she said, "in six short years, the Girl Scout population in this council will reach almost 20,000, if a normal rate of growth is maintained. To serve these girls an adequate camp program, we will have to provide troop camp facilities for 686 troops per year; day camps for 6,000. So the development of adequate facilities is obviously a Council priority." The Council approved this thinking unanimously.

"Don't Forget Fun!" The new president took the gavel and acknowledged the responsibilities of the office, saying, "You can't be president without everyone's support, and that's what I will need." She then called upon every member to become dedicated again to the purpose of inspiring girls with the highest ideals, and reminded all "not to neglect the priceless ingredient: fun. Let's make it fun for the girls and keep it fun for the adults."

Other officers elected were Mrs. Robert L. Blomeyer, Collinsville, vice-president; Mrs. William S. Barney, Scott Hill Jr. Force Base, North Hill Jr.

Elected to two-year terms were Mrs. Harold Brown, Granite City, Mrs. Glen Saxton, East Alton, and Mrs. Elmer Schuessler, Belleville. Mrs. Daniel Kulp, Granite City, will fill an unexpired term of one year.

Elected to the nominating committee for three-year terms were Mrs. John H. Marsh, Belleville, and Mrs. Charles Rodell, Belleville. Mrs. Daniel Kulp, Granite City, was elected to a one-year term on the nominating committee.

Hearings Set For Trio Arrested In Madison

Although listed earlier as only in fair condition, Robert Mink, 21, of 1235 Klein street, Venice, was released from St. Elizabeth's Hospital Friday after treatment for head cuts inflicted by a pool cue and bottle in an altercation at 1:30 a.m. Feb. 26 at the John Lewis tavern in Madison.

Jimmy Ray, 26, of 2504 Denner street, charged with aggravated battery for allegedly wounding the bottle, and Carl W. Hoff, 27, of 3220 Wayne avenue, arrested on a similar charge for allegedly striking Mink with the pool cue, were arraigned Thursday afternoon before Magistrate Gasparovic.

The two are to appear before Gasparovic for a preliminary hearing at 10 a.m. Wednesday. Ray was freed on \$2500 property bond and Hoffman was transferred to the county jail in lieu of \$8000 property bond.

Ray's brother, Charles A. Ray, 18, also of 2504 Denner, arrested for battery in connection with an attack on a cellmate while he was being held for questioning in the tavern incident, was freed Thursday afternoon on \$1000 bond to appear for a final hearing in Gasparovic's court at 10 a.m. Wednesday.

Two Curfew Arrests

Police arrested a 16-year-old Granite City boy and 14-year-old Maple area boy at 1:45 a.m. Sunday at Niedringhaus avenue and Maple street. Charged with curfew violation, they were released later on \$25 cash bonds pending hearings March 11.

Nine Area Couples Get Divorce Decrees

Nine divorce decrees were granted in Madison county circuit court at Edwardsville last week. They were issued to Janet Forte from Jerry O. Forte, both of Granite City, who were married Jan. 5, 1962, in Granite City and separated Feb. 15, 1962. She charged desertion. He is a minor and is in the military service. Her maiden name of Janet Bull was restored.

William Mejski from Alice Mejski of Roxana on a counter-complaint. They were married Jan. 21, 1951, in Granite City. Her charge of cruelty by means of physical violence was disallowed and his counter-charge of adultery was accepted. He was granted custody of two children.

Rosalie Mester of Granite City from Larry Mester. They were married Feb. 4, 1962 at East St. Louis, and separated Aug. 16, 1963. She charged cruelty and was given custody of one child. The question of child support was reserved by the court.

Ethel Lewis from George Lewis, both of Madison. They were married Nov. 8, 1952, in Hannibal, Miss., and separated Sept. 3, 1962. She charged desertion and was given custody of three children. He was ordered to pay \$75 a month in child support.

Mildred Muzzarelli of Granite City from Rudolph Muzzarelli. They were married Aug. 5, 1937, and separated Jan. 4, 1957. She charged desertion.

Diana Lee Bladick from Thomas Steven Bladick, both of Granite City. They were married Nov. 5, 1960, in Granite City and separated Feb. 5, 1963. She charged cruelty and was given custody of two children. He is to pay \$50 per month in child support.

Ronald Milo Smith of Madison from Mary Edna Smith of Van Buren, Ark. They were married Dec. 19, 1935, in St. Louis, and separated Feb. 9, 1959. He charged desertion.

Melvin Frank Mathis from Thelma Roberta Mathis, both of Granite City. They were married April 18, 1947, at Hopkinsville, Ky., and separated Jan. 8, 1960. She obtained custody of four children, and he was ordered to pay \$150 per month in child support.

Dorothy Evelyn Avants of Granite City from Eldon Lee Avants. They were married Oct. 24, 1945, at Monroe county, Ark., and separated on Dec. 5, 1956. The divorce was granted on grounds of desertion. She also charged that he entered into a pretended marriage on Dec. 29, 1956, and was sentenced to prison in Grundy, Ark., in March, 1957. She was given custody of six children, and the court reserved the question of child support.

Arrested At Tavern
Profanity, creating a disturbance and drunkenness charges were filed against Gloria Jean Bolt, 19, of 1619 Maple street at 12:30 a.m. Sunday at the 20th and Park tavern. She was released six hours later on \$75 cash bond.

Mrs. Elva B. Smith, 68, Retired Cook, Dies

Mrs. Elva B. Smith, 68, of 1820 Slocum street, Madison, formerly a cook at Harris school, died at 10 a.m. Friday at St. Elizabeth's Hospital, where she had been a patient for a month.

Mrs. Smith, a native of Winslow, Ind., lived in Madison 15 years. She retired nine months ago. She was a member of the Madison First Methodist Church and the Wesleyan guild at the church.

Her husband, Jake, died in December 1929. Survivors include three daughters, Mrs. Robert (Marian) Poynter, Coronado, Calif., Mrs. William (Beryl) Patterson of Collinsville and Mrs. Lyman (Winona) Kirby, San Bernardino, Calif.; and nine grandchildren. Funeral arrangements are given in today's obituary column.

GRANITE CHAPTER DUES MEETS

Granite Chapter 650, Order of Eastern Star, met Friday evening with 75 members attending. Mrs. Dorothy Fitzpatrick, a worthy matron, and Grover Brannan, worthy patron, presided.

ENGAGED. Miss Janet Bull, a daughter of Mrs. Harriet Bull, 2414 East 24th street, and Paul Moore Jr., son of Mr. and Mrs. Paul Moore Sr., 3706 Pontoon road, were married Saturday evening at Cedarview Baptist Church.

The ceremony was performed at 7 o'clock by Rev. William Chavens, pastor, and reception was held afterward at the church.

A light blue and white suit was worn by the bride who carried a bouquet of white carnations. She was attended by Miss Donna Moore, a sister of the bridegroom, in pink. Maynard Stark served Mr. Moore as best man.

The newlyweds will live at 2535 Washington avenue. The bridegroom, a graduate of the Granite City high school, is employed by McDonnell Aircraft Corp.

Flower arrangements, scrap books and year books were judged and among the winners were the Cloverview and the Garden Study clubs who received blue and red ribbons, respectively.

A 12:30 luncheon was served by the ladies of the church from tables decorated with arrangements in Oriental containers. The officers were presented with corsages of white orchids.

The afternoon program was given by Mrs. James R. Seales of Rock Hill, Mo., an authority on Japanese arranging and a charter member of Japanese International.

Regional Tourney Opens Tonight At Wood River

Lincoln Loses District Championship But Steals Show With Upset Of Venice

Lincoln's Rams lost the Venice district tournament title to the Marquette Explorers of Alto but their stunning semifinal upset of the Venice Red Devils was the highlight of the tourney.

The Rams were defeated by Marquette 87-69 Friday night after edging Venice 71-69 in overtime the previous evening. Marquette advances to the Wood River regional and meets Madison tonight.

The way things started out for Coach Stan Lynch's Lincoln boys in the tourney gave no indication that a surprise was in the offing. The Rams fell behind 7-0 in the first quarter against the favored Devils.

But then, sparked by guard Calvin Dixon's long-distance accuracy, the Rams launched a wham-bam comeback. By the time the first quarter ended, they had a 17-15 edge.

After that, until the contest ended with the three-minute overtime, it was nothing but nip-and-tuck and screams and shrieks from the capacity audience.

Tied At 65-65 With 1:15 remaining in regulation time, the Devils had a 62-61 lead and launched a stall. Mike Edwards was fouled and made the first of two free shots.

Then the Rams' Dixon tied it at 65-65 with a long jumper. Rich Essington's two foul shots put Venice ahead 65-63 with 20 seconds left. With 30 seconds left, Percy Dillon made a tap-in for a 65-65 count.

Venice decided to play for a single game-winning shot but Edwards' attempt was blocked by Richard Jackson. In the overtime, the score was tied 69-69 with 59 seconds left and the ball in Lincoln's possession.

Jackson sank two free shots with 33 seconds left for the final 71-69 score. Venice had the ball in the last moments but a plan by Coach Dixon's long-distance accuracy, the Rams launched a wham-bam comeback. By the time the first quarter ended, they had a 17-15 edge.

After that, until the contest ended with the three-minute overtime, it was nothing but nip-and-tuck and screams and shrieks from the capacity audience.

Tied At 65-65 With 1:15 remaining in regulation time, the Devils had a 62-61 lead and launched a stall. Mike Edwards was fouled and made the first of two free shots.

LYNCH NOT SURPRISED Coach Lynch was not too surprised by the victory. "I thought we could win, because we had played tougher competition this season," the Rams, who finished with a 6-11 record, tackled each formidable St. Louis opponent as Vashon and Sumner.

For the Devils, it was a sour note in an otherwise highly successful season. They had a 19-5 record and won their first conference championship since 1954 under Coach Bill Ohendorf.

Dixon scored 28 points in the semifinal battle with Dillon hitting 18 and Jackson 12. Freshman Robertson made 30 and John Robertson 23 for Venice.

In Thursday night's other semifinal, Marquette knocked off Lovejoy's Wildcats of Brooklyn 85-63 as Mike Mathews pumped in 36 points, a school record.

Hurt Rams, Too

Lincoln's 6-5 giant, also among the Explorers' key figure in Friday night's championship game, was hurt by a 27-point spark in the second half and outscored the Explorers 48-45.

Marquette was deadly from the field, hitting 32 of 63 shots for 52% while Lincoln made 31 of 58 for 39%. Rebound totals were another telling factor, with the Explorers leading 49-27.

Madison Bowl Wins Classic Playoffs

Madison Bowl won the championship of the Classic League basketball playoffs Thursday night by defeating Liberty Home 69-58. Madison Bowl led at halftime 29-26.

Leading scorers were Rich Patrick with 16, Terry Andrews 15, George Diller 12 and Dan Lybarger 10 for the champs.

Underdogs Aim At Collinsville

DISTRICT CHAMPIONSHIP ACTION. In left photo, Lincoln's Calvin Dixon (12) drives in to score after the Rams had stolen the ball from Marquette in the fourth quarter. Teammate Dana Gardner watches while Dale Bregenzner makes a futile blocking attempt. In center photo, Percy Dillon of Lincoln battles dark-uniformed Marquette players Larry Belin (left) and Mike Mathews for rebound. In right photo, Lincoln's Franklin Wooten (10) gives a big kick in trying to rebound. Other Lincoln players are Dixon (left), Dillon (second from left) and Gardner (154).

Underdogs Aim At Collinsville

Like Robin Hood's merry men, seven hungry high school basketball teams will be trying to steal from the rich at this week's regional basketball tournament at Wood River.

The target, of course, is the princely Collinsville team, which owns a gold-lined coffer filled with a sterling record of 23 victories and no defeats.

Even the sheriff's men won a battle or two from the old English outlaws, and the Kahoks are expected to wipe out the Roxana Shells (2-20) in today's 7 p.m. opener. But from there on, the going gets tougher.

The favorites will then play at 8 p.m. Wednesday against the winner of tonight's second game between Madison's Trojans (18-4) and the Alto Marquette Explorers (24-2).

The gritty green-clad gang from Madison, for example, is capable of springing an ambush on the Kahoks, providing, of course, they can get past the tall Explorers.

"We'll probably have (Paul) Lusk suited up," said Coach Earl McClanahan. "And he may play if we get in a spot where we need a tall man."

Lusk, 6-2 sophomore and the Trojans' top rebounder, has been sidelined since Feb. 11, when he suffered a knee injury. His availability in the regional will depend, of course, on the latest word from the doctors, but Lusk has been working out.

Warriors Meet Oilers

Tomorrow's schedule pits the Granite Warriors (13-10) against the Wood River Oilers (7-17) at 7 p.m. and the Alto Redbirds (11-10) against the Edwardsville Tigers (5-14) at 8:30 p.m. The winners will play at 8 p.m. Thursday.

The up-and-down Warriors can't be counted out of the upset sweepstakes, either. But, being in the opposite bracket, they wouldn't get a shot at the Kahoks until the Friday night championship game.

Meanwhile, Coach Andy Sullivan's crew is more concerned with the three fellow Southwestern Conference teams in the lower bracket. The Warriors defeated Wood River twice during the regular season but split games with both Alto and Edwardsville.

Sophomore's Finish With 14-3 Record

Promising great things for the future, Granite City high school basketball players squared ended the season with 14 wins, three losses.

Coach Dick Harmon said the record was the best since he joined the school system years ago. He cautioned, however, that the team lacks an important basketball commodity—height.

The young Warriors played what Harmon described as their best game all year Thursday night in defeating Cahokia 60-51. Leading scorers were Elmer Wortham (20) and Jim Rains (19). All 16 squad members played.

The team won all eight home games. In each of their three losses, the sophs hit more than 70 points.

Streak Ends For Trojans At Belleville

Warning up against powerful competition, the Madison Trojans served notice Friday night that they're a basketball club to be reckoned with in this week's regional tournament.

The host Belleville Maroons, a high-ranked team in statewide polls, defeated the Trojans 64-52 Friday night but not before the locals put on a ferocious rally in the second half.

The loss ended Madison's 12-game winning streak and lowered the season record to 18-4, but Coach Earl McClanahan wasn't worried.

"This was a good preview of what we'll see up against at Wood River," he said after the game. "Now maybe the boys will be ready."

Several Allings

The Trojans certainly weren't up to their normal strength for the Belleville contest. Paul Bell was still out with his knee injury, John Summers was slowed by a knee injury, Gary Skinner was recovering from the flu, Hayes Wright had a sore throat and Mike DeLong was hobbed and was forced to play with extreme caution in the second half. He finally fouled out with 15 seconds left.

On and on top of that, the Trojans couldn't hit the bucket in the opening two quarters and trailed at halftime 36-20. The second half, however, brought a bright resurgence and they came to within five points (49-44) in the fourth quarter.

"We simply weren't screening the man off Bell so he could get loose for some shots," said McClanahan. "Beil guarded by Maroons' star Della Germann, had only one point in the first half and only one field goal in the second half."

Germann, too, ran into foul trouble. He racked up his fourth personal foul with 6:20 left in the third quarter and sat on the bench until the fourth period opened. Jay Westcott paced the Maroons with 19 points. Neal Holladay had 15 and Germann 11. Beil wound up with 15, Dale Turner had 13 and Summers 10 for Madison.

In the junior varsity contest, Belleville won 84-58 to give Coach Bob Page's Madison team a 9-9 record. Tom Owens made 21 and Carl Marr 12 for the young Trojans.

Warriors' Lone Point At State By Lapinski

Granite City's Warriors scored only one point in the state high school wrestling tournament Friday and Saturday at Northwestern University, but they found out the school still rates as one of Illinois' tops in the sport.

Defending champion Waukegan won the state title with 49 points and Sterling finished second with 27.

"We only lost two meets all season," noted Coach Bill "Red" Schmitt, "one a dual meet with Waukegan and our own tournament to Sterling — the state champion and runner-up."

Paul Lapinski, the Warriors' 103-pound entrant, scored the school's only point by defeating Dave Neylon of Pekin 8-3 in the first round. He then lost to the eventual runner-up in the division.

Carl Wortham Breaks Sanford-Brown Record

Granite City's Carl Wortham has broken his own single season scoring record for the Sanford-Brown College basketball team of St. Louis.

Wortham scored 43 points Friday night in a 125-94 triumph over Belleville Junior College at Jefferson Barracks, Mo. He now has 617 points for the season, breaking his 1962-63 mark of 580.

In the same game, Bill Haven of Granite City and Wortham's brother Larry had 16 and six points, respectively. In addition, Larry Wortham grabbed off 11 rebounds.

Sanford-Brown now has a 17-8 record with a St. Louis Kiwanis tournament and a conference championship playoff game with the University of Missouri's Normandy branch remaining.

Khoory League Seeking Senior Teams From Area

A Senior Division of the Khoory League is seeking teams from the Granite City and Edwardsville areas for the coming baseball season. There is no age limit.

At present, three teams from East St. Louis, one from Collinsville and one from Belleville are included. The league plays on Sunday afternoons.

Anyone interested in entering a team may contact Mike Higgins at DI 5-0840 or write him at Maryville, Ill.

Local Teams Trounced By Centralia All-Stars

The champion and runner-up in the Granite City park district's High School League lost a pair of basketball games yesterday at Centralia against that city's recreation all-star teams.

YMCA Teen Town, the champion, lost 64-37 after trailing 29-21 at the half. Olga's, the runner-up, lost 83-50. High scorers included Keith Garner (11) of Olga's and Charles Stephens (9) of YMCA.

Teen Town Snafes HS Championship By Beating Olga's

YMCA Teen Town won the playoff championship of the High School League Thursday night with a 55-47 victory over Olga's Confectionery at Coolidge junior high school.

Facing the victory were Rick Reutebuch with 19 points, Jerry Nelson with 13 and Ernie Ernst, 11. For Olga's, Keith Garner had 14, Dennis Hecht 12 and Greg Hoff 11.

The score was tied 23-23 at halftime and YMCA led 37-35 after three periods.

The Y advanced to the championship with a forfeit victory over Holland Asphalt. Olga's beat Lincoln Place 67-65, with Hecht scoring the winning basket in the final five seconds.

Larry Johnson's 17 points paced the win, with Hoff hitting 13 and Garner and Hecht 11 each. Ron Yates scored 20 for Lincoln Place, Bob Karandjoff had 12 and Ken Ferro 11.

Zepha Andrews, 58, Railroad Carman, Dies

Zepha I. Andrews, 58, of 254 Main street, Venice, died about 12:30 a.m. Sunday at Missouri-Pacific Hospital, St. Louis, where he had been a patient two days. He had undergone surgery last year. His mother-in-law, Mrs. Barbara McKay, 61, of Venice, died Thursday and was buried yesterday.

Mr. Andrews, a native of Decatur, Ind., lived in Venice 14 years, moving here from St. Louis. He had been employed by the Terminal Railroad Association as a carman for 15 years and was a member of the Brotherhood of Railway Carmen.

Survivors include his wife, Opal; four sisters, Mrs. Thomas (Maggie) Herrington of Evening Shade, Ark., Mrs. Carl (Hazel) Gatewood, Oscola, Ark., Mrs. Lee (Grace) Phillips, Moline, Ill., and Mrs. Huie (Elizabeth) Hamrick, South Haven, Mich.; his mother, Mrs. Frances Andrews, Oscola, Ark., and 31 nephews and nieces. A brother, Lester Andrews, St. Louis, and a sister, Mrs. Helen Woodward, St. Louis, preceded him in death.

Girl Is Hospitalized After Fight In Venice

Evon Dobbs of the 1000 block of Douglas street, Venice, is being treated at St. Elizabeth Hospital for injuries inflicted by another teenage Venice girl in an alley in the 300 block of Weaver street at 11:20 p.m. Saturday after a dispute which started at the West Madison recreation center.

An investigation is being made by Venice police. Taken to the hospital in an ambulance, the girl reportedly was struck and kicked by a Lee Wright Homes resident whose brothers prevented passersby from interfering.

Inter-City League Names Andrew Timko As Umpire-In-Chief

Andrew Timko Jr., Granite City, was appointed umpire-in-chief of the Southwestern Illinois Inter-City Baseball League at a meeting yesterday at Wood River.

Timko, a veteran member of the league staff, replaces Wheeler King, also of Granite City. King resigned because of business commitments after many years as a league umpire, manager and member of the arbitration board.

Timko also was named to the arbitration board to replace King, as was Joseph Scott, Troy manager, who replaces Dick Portell. Granite City Sacred Heart pilot Portell resigned because of employment commitments.

The lineup of teams in the 10-team, two-division league is still unsettled. Carpenter had dropped out earlier and an effort to add a third Granite City team failed due to lack of sponsorship.

Yesterday, an East St. Louis Moose official appeared at the meeting and indicated the organization was dropping sponsorship of that team. But Vernon Lucas, league president, said he thought this action was caused by a misunderstanding and could be straightened out.

Three other teams—Edwardsville, the Brooklyn Robins and the East St. Louis Colts—indicated a desire to join the league. These applications will be considered at a March 15 meeting at Maryville. The league opens April 19.

GC School District May Build Walk For School

The next budget of the Granite City school district may include funds for a sidewalk from the city limits to Maryville school, the Maryville PTA side-walk committee was informed at a special meeting Thursday night.

Ralph Fricker, board president, said the proposal would be introduced at the March 6 school board meeting. Fricker and Dr. Harold Kaiser told the committee that funds for a walk are not available in the present budget.

At the meeting, attended by city, county, township and school officials, E. J. Wade, county superintendent, said that of highways, said building walks is contrary to county policy and would be in this case would be setting a precedent.

He said, however, that the county would furnish the easement and the necessary line and grades. He noted that a 44-foot highway is to be constructed on Maryville road with the use of motor fuel tax funds, but that such funds cannot be used for sidewalk construction.

Crossing Signal Planned

Wade added that state officials have agreed to place a crossing signal light on Maryville road, but a location is yet to be designated.

Delton Groothuis, who presided in the absence of Frank Zaruba, committee chairman, said the group would attend the school board meeting in force to support the walk proposal, and if an assurance is not received within the next 30 days, another committee meeting will be held to determine future action.

Groothuis said all parties agreed that there is an extreme need for a walk and an extreme danger to children walking to and from school.

He told the group that saving a child from being injured or killed is more important than a precedent or the funds involved.

Others attending the meeting were G. H. Sternberg, Granite City alderman and street committee chairman; Charles Weier, assistant supervisor, Namecord township; Gene Rotter, township tax collector; Charles Hanks, township road commissioner; and PTA committee members Wyatt Watkins, Rev. Sherman Wilson, Roy Baumberger, Mrs. Faye Posh, Mrs. Jean Orr, Owen Humphrey and Mrs. Pat Baumberger, PTA president.

Hearings Set Wednesday In Home Loan Scheme

Barbara Carson, 22, of 805 Franklin street, West Madison, was charged with forgery Thursday afternoon in connection with a home-improvement plot carried out with Vernell Jackson, 34, of 1213 Market street, Venice.

Jackson was arrested and charged the day before. The first Granite City National Bank signed the complaints. Magistrate Gasparovic set bond at \$2500 each pending preliminary hearings on Wednesday. The woman was turned over to Granite City authorities by Madison police.

They are charged with obtaining a \$500 bank loan on property located at 906 Madison avenue, Madison, owned by Clifton Bailey. The pair signed Mrs. Mrs. Bailey's names to the note.

Bailey earlier had notified Madison police that his driver's license had been stolen from his locker at Dow Metal Products Co., where Jackson also is employed, and that he had received notices from two local firms concerning loans he had received.

Police said that Jackson admitted that he and the woman had obtained an \$800 loan on the same property from another Granite City financial institution, and that similar methods were used to obtain money from St. Louis banks.

No Agreements Reached In Tax Objection Talks

No agreements were reached during a pre-trial conference on tax objection cases filed by railroads called Friday by Chief Circuit Judge James O. Monroe Jr. with railroads and industries.

Trial procedures were discussed as the judge is attempting to clear some old cases. Railroads are objecting to assessments and industries are objecting to tax rates.

It was hoped that one railroad test case would be used as a guide in settling the other cases. Among those attending were Burton Bernard, assistant state's attorney and William Holscher, manager of the Manufacturers Association of the Tri-Cities. The judge is to call another conference.

Hits Rural Mailboxes

The eastbound auto of Casper Simpson, 4827 Warnock avenue, partially left Morrison road in the 2400 block at 7:30 a.m. Saturday, striking two mailbox posts, one of which was knocked over the hood and broke the windshield of the car. Simpson escaped injury, he told sheriff's deputies.

Strikes Parked Auto

As Larry Smothers, 4505 Vine blvd., was backing out of the driveway of his home, the rear bumper of his car collided with the left rear door and fender of the parked auto of Albert Janco, Rural Route One, at 7:30 p.m. Saturday.

Pontoon Village To License Hauling Firms

Trucking firms based in the new village of Pontoon Beach will be licensed by the village following action taken Thursday evening by the board in adopting a drayage ordinance.

The annual license fee will be \$25, and there will be an additional charge of \$5 for each truck if the firm operates two or more. President Thomas Stalcoff said there is one drayage firm in the village.

Also adopted was an electrical inspection ordinance. Stalcoff said the village electrical code is to be amended to eliminate inspection fees. He is to name an inspector, subject to confirmation by the board, and inspections will begin immediately thereafter. The president explained the inspector's job will be to inspect new construction or any new installation of electrical wiring in buildings within the village.

Placed on third reading and still subject to final approval are two 50-year franchises with Illinois Power Co. in which the firm will supply gas and electricity within the village. Stalcoff said engineers for the company will set grade levels for the village. Under the franchises, the village would get five free street lights and \$150 a year in lieu of free gas service for public buildings. The \$150 may be used to get five additional street lights.

The village now has a total of \$600 in its treasury from license fees, and Thursday night approved a payment of \$25 for a \$3000 bond for the village treasurer, Mrs. Ruth Norton. The policy is with the Kaegel Agency.

Stalcoff said a board meeting is to be named to determine if the meeting night should be changed from Thursday and if the board should meet twice a month instead of once. The next regular meeting is set for March 26.

Auto Trunk Damaged

A vandal damaged the trunk of the auto of Marjorie Bushong, 1635 Market street, Madison, in an apartment where it opened it while the car was parked at her home about Feb. 22, she notified police Thursday.

Pack Two Blue, Gold Banquet Held Last Night

The annual Blue and Gold banquet of Pack Two, Boy Scouts, was held last night with about 75 present. The group is sponsored by the Association for Aid to the Retarded.

Two new boys were inducted in a ceremony conducted by Clarence Windsor. William Coyte, the speaker for the evening, discussed scouting for the

retarded. A number of awards were made by the leader, Albert Beedle.

Candidate Percy To Speak Before Labor Council

Charles H. Percy, Republican candidate for governor nomination, will speak before delegates of the Tri-City Trades & Labor Council at 6:30 p.m. Wednesday at the Labor Temple.

Percy will be in the area all day and is slated for other appearances. At the Labor Temple the delegates plan a question and answer period. It was reported by council president Edwin Reiske.

Car Hits Boy in Alley
 An eight-year-old Venice boy, Terry Hurst, 1010 Market street, was hit by the right front fender of an auto as he ran from behind a shed in the alley at 1028 Market street at 5:15 p.m. Friday. He is the son of Columbus Hurst.

Taken to St. Elizabeth Hospital by the motorist, Richard King, 16, of 99 Weaver street, Venice, the boy was treated for multiple face and arm abrasions, a laceration near the left ear and severe abdominal pain. He was transferred to the St. Louis Children's Hospital.

King told police he had been driving west in the alley and was unable to stop in time. He was driving an auto owned by Cornell Hampton, 1036 Logan street.

Two drivers were injured at 6:30 a.m. Friday when a car driven by Larry Forrester, 28, of Wood River, struck the rear of the southbound car of Richard Forrester, 22, of Rural Route One on Highway 3 at the West Pontion road intersection at St. Louis.

Ferrari, an employee of General Steel Industries, suffered a forehead and St. Louis, Mo., employed by a St. Louis packing firm, received x-rays to the back. Both were treated and released.

Two Passengers Hurt
 Two passengers in a car driven by Marilyn J. Petrovich, 29, of 2018 Pontion road, were injured when the car struck the rear of an auto owned by Albert Forrester, 22, of Rural Route One on Highway 3 at the West Pontion road intersection at St. Louis.

loan, at prime rates, from Granite City Steel Co. to expand Bi-State's harbor at Granite City was reduced to \$50,000 by order of the agency. The \$34,000 payment was made from accumulated office working funds and, it was pointed out, will result in an interest saving.

The harbor expansion is completed except for minor black-topping between railroad tracks which must await warmer weather. Total cost of the project was \$300,000, of which \$154,000 was in the form of a lease-credit agreement with Granite City Steel Co. and \$206,000 was a construction loan from the steel firm. Interest was payable on \$104,000 of this amount.

Continue Air Study
 Bi-State approved participation in Phase 11 of the Interstate Air Pollution Study, expected to take 18 to 24 months at a minimum cost to the agency of \$100,000 annually.

The second phase of the study will deal with specific air pollution areas and sources, as well as provide a framework for a control program. The study is being jointly made by the two states and other area agencies.

Col. R. E. Smyser Jr., executive director of Bi-State, reported that the Illinois-Missouri working committee on regional highway and related planning had reached an agreement Thursday on an outline of procedure for cooperation. The committee, comprising six professional planners and civic leaders from each state, will submit its outline to Bi-State within 10 days.

Afterward, the proposal will go to governmental units in the bi-state area for a decision on whether they will participate. Agreement to cooperate is a prerequisite for subsequent effective planning, the committee has said, as well as in qualifying for federal highway aid after July 1, 1965.

Leo A. Fisher, Bi-State chairman, announced the appointment of W. B. Bergfield, new Illinois commissioner of Alton, Mo. The finance committee of the agency. He replaces J. F. Schmidt, former commissioner from Waterloo.

George Andersen Dies; Former Local Resident
 George Andersen, a Pontion resident until moving to St. Louis, Mo., six years ago, suffered a heart attack there Saturday and passed away. He was 60 years old.

A Quad-City most of his life and a former blacksmith, he had worked at a local steel plant before retiring. He was believed to be in his late 60's.

Survivors include his wife, Caroline, of St. Cloud; their son, Chester Andersen of Breckinridge, Mo.; and his daughter, Mary, of St. Cloud; and three grandchildren.

His remains are to be brought here for funeral services and burial. An obituary notice is given elsewhere in this issue.

Woman's Legs Broken, Pinned To Garage Door
 Mrs. Sharon Kline, 2004 Lindell boulevard, suffered fractures to both her legs when she was pinned between her car and the garage at the garage door on Friday night. She was admitted to St. Elizabeth Hospital.

The brakes on the car suddenly failed and it rolled into the garage. She was pinned between the car and the garage door. She was admitted to St. Elizabeth Hospital.

Beer Sale To Minor At Madison Tavern Charged
 Sale of liquor to a minor Friday evening was charged by Madison police Saturday in arresting Christ Antonopoulos, proprietor of the Crystal Inn tavern, 1301 Madison avenue. He was released on a property bond to appear Saturday before Magistrate John Braddock.

Police said a boy under 21 allegedly bought a six-pack of beer at the tavern. The purchase also was illegal but no charge was filed.

SHOWER FOR MISS JANICE BARNES

Miss Janice Barnes was honored with a bridal shower Friday evening at the Cuyana Temple, 2601 Cayuga street, given by Marie McKenzie and Sandra Littlejohn.

The hall was decorated in pink and green with white wedding bells, and the tables were decorated in white and green with a wedding cake topped with a bride and groom serving as centerpiece.

Games were played and prizes were awarded to all. The Soul Searchers quartet from Collinsville provided entertainment.

Miss Barnes received many gifts from relatives and friends.

Cake and other refreshments were served by the hostesses to Norma Olson, Mavis Moore, Virginia Parker, Edith Mittel, Georgea Gierard, Savina Fawcett, Ruby Hagen, Juanita Barnes, June Parker, Pat Parker, Peggy Watts, Nona Reynolds, Kay Nickel, Rene Birdsong, Marie McKenzie, Sandra Littlejohn and Janice Barnes.

Miss Barnes is to be married to Virgil Littlejohn. Their wedding plans are indefinite.

PLAN BROWNIE PROGRAM

Brownies of Troop 734 held a weekly meeting Thursday evening at the Washington school cafeteria. The meeting was opened with the Brownie promise, and the girls talked about their "hunny box" project for Mar. 20. They practiced for a coming FTA program.

They formed a Brownie ring and discussed what each girl will do for the program. The girls sang, read their handbooks and collected registration money. Regina Gibson became a Brownie and was invested.

Others present were Kathy Atkinson, Cynthia Angie, Bobby Jean Baine, Cheryl Brown, Terry Blackwell, Loretta Budky, Laverne Budky, Cynthia Downs, Penny Downs, Barbara Hattley, Christine Hoffman, Betty Legins, Janet Laswell, Irma Mc-

Mrs. Myrtle Corzine, 71, Dies; Ill 5 Years

Mrs. Myrtle Corzine, nee Wyatt, 78, died about 8:15 a.m. today at Normandy, Mo., Osteopathic Hospital where she had been a patient since Tuesday.

She had suffered a stroke five years ago which paralyzed her throat muscles.

Mrs. Corzine, a native of Franklin county, Ill., moved here in 1889. She resided with a son, William Corzine, 2021 Grand avenue. Her husband, Everett, died seven years ago.

Mrs. Corzine was a member of Cedar View General Baptist Church. She also is survived by a daughter, Mrs. Marvin (Dorothy) Tedder of Granite City, wife of the deputy state fire marshal; a brother, Bryce Wyatt, Granite City; a sister, Mrs. Walter (Leola) Wilkinson, Detroit, Mich.; one grandchild and five great-grandchildren.

Funeral arrangements are given in today's obituary column.

NEW TROOP MEMBERS

Brownie Troop 945 held a weekly meeting at the Washington school cafeteria Wednesday evening.

The girls practiced their parts for a FTA program and welcomed two new members, Serena Winslow and Delby Waggoner. Present were Melissa Black, Sheila Hubbard, Melanie King, Connie Lindsey, Shannon King, Marjorie Pate, Sharon Whitford, Denise Whitson, Barbara Pickett, Robin Schrader, Patricia Schrader, Christine Smith, Glenda Sykes, Susan Vison, Karen Whitford, Paula Padlock, Nancy Unger and the leaders, Mrs. Virginia Narmann and Mrs. Frances Sykes.

A fish fry to be given by Cub Pack 19 of Washington school has been set for Friday, March 20, in the school cafeteria. George Birdsong, cubmaster, is in charge of the planning.

GC Council Tonight

City Engineer, Truck Route, Sidewalks Are Likely Topics

A shorter, more convenient truck route from the Granite City canal harbor and the legality of constructing new sidewalks with unbudgeted funds promise to be topics at tonight's Granite City council session at 8 o'clock.

Also still pending are an ordinance outlining the duties and \$156 monthly salary for the city's general maintenance man and an ordinance which would set the salary and assign the duties of the city's new post of city engineer.

The mayor's Feb. 25 appointment of David Johnston to the new post for 30 days is due to expire tomorrow. His method of appointment has been challenged by the council.

The city's proposed new plumbing contractor licensing and bonding ordinance also has yet to be submitted to the council and City Clerk A. L. Stevens has been advised by Mary Faye, 2846 Warren avenue, of her intention to file a claim against the city for injuries suffered last Sept. 14 in a fall on a sidewalk in front of 2846 Warren avenue.

For City Advancement

The truck route from the harbor was discussed at length during last week's brief council session. It was pointed out truck hauling materials being unloaded at the Bi-State harbor along the Chain of Rocks canal, because of weight limit restrictions, must cross the network of railroad tracks three times in order to get to a scale at 22nd street and railroad tracks.

Alderman Donald Partney said he is not seeking to aid the trucking firms, but that with the shutdown of the St. Louis harbor due to a low river stage, the volume of business at the Granite City harbor has tripled and it would be a good time to show shippers that Granite City has something to offer them.

"Instead, we're in the position of being a city that is following a route that was established several years ago by Granite

Shorter Route Suggested

Partney has suggested a route along the full length of West 11th street to Missouri avenue and along Missouri avenue to 22nd street and to the scales.

"This is the time to show our community spirit and our interest in Granite City and its new harbor which could well become a major inland port with the co-operation of the council," Partney added.

The route is being opposed by Alderman Nunn, who said 20th street is too narrow, the pavement too thin and that heavy truck traffic would damage homes and endanger youngsters.

West 11th street is a grade school. He is seeking federal permission for the levee top road to be used.

This was turned down by the Corps of Engineers several years ago.

Partney said the school yard could be fenced, and pointed out that for most of the length of West 20th street one side is industrial property.

The sidewalk construction contract had not been signed by Mayor David A. of FTA. He is seeking a legal opinion from City Atty. George Thieriot Jr. in answer to Alderman Nunn's contention.

Stettine, who has threatened to file an injunction suit to halt the sidewalk project, said he is not against construction of sidewalks near schools as planned, but that the sidewalks are not in the budget, and it is illegal for the city to spend unbudgeted funds. "The project should be included in next year's budget," she said.

GRANITE CITY PRESS-RECORD

MARCH 3, 1914
Safecrackers made this area their scene of operations Saturday night. Police have one man under arrest.

The robbers appeared in Granite City Saturday night, having had a scout from East St. Louis out during Saturday. The scout, who was seen in several saloons in the vicinity of the Wabash and C. & A. railroad depots, was joined by two other men Saturday night and all three were seen together in the vicinity of the 21st street crossing of the Terminal tracks.

Result of their operation was an unsuccessful raid at the office of the Granite City board of education in the Emerson school building and a visit to the office of McCasland, Yeager and Leyden Realty Co. on 20th street and Bryan avenue. At the latter place they forced the door of the safe without the use of an explosive and secured all the money that had been left in the cash drawer in the safe, about \$20 in currency and small coins. The thieves left the scene in a nitroglycerine in one of the desks of a school board member.

**THURSDAY
MARCH 2, 1889**
An ordinance increasing the term of office for the president of streets from two to four years was approved by the Granite City council Monday night. The measure, which was advanced to final passage without opposition.

After many months of lingering illness, death came to Ferdinand A. Garavito, prominent Democratic leader and former mayor of Madison for 32 consecutive years, at 8 p.m. Monday in DePaul Hospital, where he had been taken from his home at 1707 Fourth street.

Monthly relief costs in local townships were announced by the Illinois Emergency Relief Commission. The amounts were: Chouteau, \$1177; Granite City, \$629; Nameoki, \$660; and Venice, \$11,371.

Captains for the Boy Scout troop campaign for Tuesday night in the scout headquarters with G. W. Hoelscher. The campaign will start March 13 with a kick-off dinner. District leaders will be, for Granite City: D. M. Higgins, Albert Johnson, Frybault, A. M. Jacob, John J. Horan, Dr. Harry Epstein, John F. Piatnik, Horace Meadows, Al Mueller, Roy Sawyer, E. Curtright, B. E. Hohl, Frank Mercer, Clem Niebur, R. Johnson, L. McCauley, P. Schaefer, Mrs. Linder and C. W. Munson; for Madison: A. E. Castellani, Frank Fijan, Mrs. Deane, H. Hicken, Ed Miller, E. W. Hoeb and Willie Baumann; Nameoki: Thomas Stuart; Venice: Henry George; Mitchell—Clyde Roney.

Miss Nina Helen Tait, daughter of Mrs. and John Tait, was honored at a party given Wednesday evening by Miss Kathryn Weddell and Miss Alleen Tait at the home of Miss Weddell, 2440 Madison avenue. Others present were Miss Alleen Marie Knox, Edith Johnson, Margaret Orth, Joyce Barnhart, Betty Niedringhaus, Helen Zukas, Alice Vogler, Helen Summerton, Mary Tait and June Schill and Mrs. Alvin Cover.

Miss Minette Waters entertained with a formal evening party at the home of her brother-in-law and sister, Mr. and Mrs. H. P. Marshall, 22 Sherwood place, Belleville, this week. Cards and dancing were the evening's amusement and a midnight lunch was served to Mr. and Mrs. George Miller of St. Louis. The party was given by Granite City, Chester Peterson

Division of Local Congressional District Likely, Timing Uncertain

In view of its continuing rapid growth and its nearly half-million population, which compares with a national average of 412,000, the 24th Illinois Congressional District seems destined for an eventual alteration of boundaries, perhaps dividing Madison and St. Clair counties and adding other counties to each of them.

This conclusion is based on study of the landmark Supreme Court ruling issued Feb. 17, saying that the Constitution prescribes for the House of Representatives "equal representation for equal numbers of people." How fast the principle is applied in this state will depend on how strictly the state and lower courts interpret the Supreme Court phrase that "as nearly as practicable, one man's vote in a Congressional election is to be worth as much as another's."

Possible interpretations include a disparity of more than 100,000 between the largest and smallest districts, a ruling that no district could have more than twice the population of another, or variation limits of 20%, 15% or 10%.

The 24th District second largest in the state and fifth largest in Illinois, is 81% larger than the Sixth District, located in Chicago. This state's greatest variation from the national average is listed by Congressional statisticians as 33.6%.

No revision is anticipated in Illinois—which restricted in 1961—before 1966, if then, but some states may be affected immediately. Extreme examples cited by Cong. Melvin Price are Georgia, with districts of 82,000 and 27,000, and Maryland, with districts of 900,000 and 27,000.

Republicans predict a net gain, since their total vote in 1960 would have given them 209 House seats instead of the 178 actually won; the Democrats lost 22 of the districts of over 50,000 population, while Democrats dominate 73% of districts smaller than 30,000.

Republican gains in Illinois also are predicted, although splitting of the local district could lead to election of two Democrats rather than the one strongly Democratic Illinois Metropolitan Area.

Madison County Among Multipier Avoiding Assessment Multiplier

Most people would prefer low rather than high assessments, but Madison county residents can be glad that their assessors, on the average, assessed high enough to qualify for a minimum state multiplier of one. Only 32 of the 85 township population counties avoided multiplication of their assessed values in their quadrennial submission of assessments to the Illinois Revenue Department this year.

Multipliers newly announced for other counties range from 1.0294 for Platte County to 1.623 for Saline county. Commission-form counties' last quadrennial submission was in 1962.

There is no doubt why in the absence of a multiplier, it is accented those counties that assess at the required level. This year, that level is 50% of "full, fair cash value," as determined by property sales.

Of course, comparisons of the averages fail to answer the problem of inequities within counties, townships, neighborhoods and blocks. More detailed guidelines for assessing officials, combined with enforcement authority, deserve the early attention of the revenue department and the state legislature.

Ideas are funny things. They won't work unless you do.

Speaking of unemployment, we are reminded that man has twelve billion brain cells.

Result Of Income Tax Cut Will Test Free Enterprise System

If federal spending and deficits are not allowed to get out of hand, the income tax cut effective this week can serve as a real test of the private enterprise system, as has been suggested by President Johnson.

Calling it an "expression of faith in our system of free enterprise," the president noted that the biggest tax slash in history can generate new spending and prosperity if consumers and businesses respond. He called for purchase of new production equipment to help keep American prices competitive in world markets, and eventual creation of new jobs.

There is widespread agreement with his statement that "no economic system anywhere has ever had the success of the American economy. By placing maximum reliance on the initiative and creative energies of individual businessmen and workers, we have created here in our land the most prosperous nation in the history of the world."

This being the view of President Johnson, we hope private enterprise successfully passes the challenge he has outlined for it in his tax message. It is a challenge which he has in mind, increased public works spending and higher pay to the unemployed, hardly would be in accord with his expressed faith in individual initiative and creative energy.

If the hoped-for economic level is attained, "then the federal government will not have to do for the economy what the economy should do for itself." Such an attitude must be the goal of Quad-Cityans and all Americans, for there is serious doubt that government controls could come within a million miles of duplicating what free enterprise has achieved for the United States, whether the government "has to do it" or not.

Quadrant-City can do a favor to themselves and those they come in contact with by drinking the oral vaccine available here Sunday and again May 3. The two doses offer quick simultaneous immunity to all three types of polio, the crippling illness which medical science now has "on the ropes." And the vaccine has a pleasant taste.

All ages, starting at the age of three months, may participate in the free program sponsored by the Madison County Free and Tri-City Medical Society. There are no known adverse reactions to the trivalent vaccine, which includes the Type One, Two and Three Sabin vaccine strains and excludes the simian virus which has been questioned.

Proving much more effective than separate doses of each of the three types of Sabin vaccine, trivalent has had no excellent record in curbing the spread of polio, which took a heavy toll in the Quad-Cities and Madison county during the 1940s. We suggest that everyone take advantage of the immunization offer.

Madison Lone Holdout In County On Tavern Hours

Based on an unanimous vote by the Collinsville city council last week, Madison county is the only city in the county to have a closing law for taverns. The lone holdout against uniformity of hours is the city of Madison, which has discussed elimination of its 4 a.m. closing law but has not done so yet.

It would appear that the time is ripe for revision of the Madison regulations capable of being an increased influx of tavern patrons who have already been drinking as long as the law allows in their home communities, bringing to Madison greater law enforcement problems and bigger threats to the safety of citizens and motorists.

Computer Enlists In The Fight For Traffic Safety

Racing the "heavy foot" of some motorists, the state has just placed in use a new high-speed computer that will enable it to take "accelerated action against dangerous drivers." By keeping records up-to-date, it will immediately spot those whose new offenses justify suspension or revocation of driver privileges.

Now if the state could go a step farther and perform a similar feat on systems capable of steering a vehicle away from trouble, perhaps like the "early warning system" used by bats, the highways could really be made safe once more—as safe as they were in the days when there was so much that the driver could not get up enough speed to hurt anyone even if they did collide.

Major branches cut off with no thought of what effect it would have on the tree. Proper information on tree trimming is available from the agriculture department at the University of Illinois and Insure could be had from other sources also.

I would further suggest that you view the area of McKinley school, where many of us can remember had many trees. To day all we have left is the building and a blacktop playground. The writer is not a tree lover, but a person who has been in a prison since a school for small children.

The school board or whoever else is in charge of the school should feel that a metal fence and a concrete wall may be the best for lowest maintenance. I believe that a school ground bordered with shrubbery and trees and with at least a partial lawn would be more fitting—at least for the grade schools, where nature is often mentioned in their studies.

THE PASTOR SPEAKS

REV. ALFRED BULL
Hope Lutheran Church
Peace is the goal of many people.

Peace is the desire of an adjusted society as it grapples with the old and new each day. But one should never confuse real peace with the calm that comes from fear. Communists and dictators both today of the peace and oneness of their nations. This is not peace that we would care to share.

Our Lord told us that the moment we confess Him (and this means in word and deed), we could expect to experience the wrath of those who are opposed to Him.

Need To Disagree
He died because He continually taught and showed of His life that He was, indeed, the Son of God and the Savior of the world, and as such could not agree with the dead traditionalism of religion, the idolatry of materialism, or the self-righteous haughtiness that ruled the day.

He died to set us free from

AILING NAILS CAN MEAN POOR HEALTH
Is something wrong with your nails?

It could mean that you're sicker than you think. Deterioration of this protective covering can result from a number of particular causes: vitamin deficiency—and wasting disease or some other health problem—removal from the nails themselves.

In addition, your nails can be attacked by a disease involving the skin. One disease—called whitlow—comes from inflammation around the base of the nail. If you get a whitlow, it may involve a single nail, or it may spread to the entire nail bed.

Whitlow causes the nails to become ridged and sometimes to separate completely and fall off. Treatment consists of a full-scale attack on the infection.

Splitting, Change In Shape
Splitting, pitting and change in shape of the nails are also unhealthy signs. Usually, they are the result of ringworm, psoriasis and other skin diseases.

Fall Vote On Annual Sessions

Although major attention of voters at the moment is centered on the school, county and state elections, the annual meeting of the Quad-City area township agencies will be held on the Nov. 3 general election and to the Blue Ballot proposal for a referendum on the state's new constitution at that time.

The statewide referendum calls for a "yes" or "no" vote on amending the Illinois constitution to permit annual legislative sessions. At present, the general assembly meets regularly only in odd-numbered years, although special sessions also are held. This has been the case since 1964.

Under the proposal, legislators would be elected in odd-numbered years from January through June. But instead of handling all matters in the legislature, the 1964 elections may influence the votes cast on the annual session proposal, although the two issues are directly related.

The sponsors also stressed the importance of fiscal considerations, saying that the revenue bills need much more concentrated study from each legislator.

A current theory is that voter irritation at the failure to reappoint Illinois House districts in the 1964 elections may influence the votes cast on the annual session proposal, although the two issues are directly related.

Speakers Bureau Planned By Tri-Cities C. Of C.
Formation of a speakers' bureau to promote civic pride, foster a better understanding of Quad-City business operations and to sell the Chamber of Commerce to the community is planned for Wednesday afternoon by Wesley Lomax, chairman of the C. of C. speakers bureau of the public relations committee.

Lomax's group is to meet at 2:30 p.m. at the C. of C. office. When the speakers group is offered its services to local clubs and organizations.

Fast History
It won't always pay off, but studying the past is a good way to prepare for the future.

Four Bound Over For Theft Of Copper Wires

The last of four theft-suspects arrested for taking a ton of copper wire from the Purdy Co. metal yard Feb. 26 has been bound over to the grand jury after waiving a preliminary hearing, Venice police said Friday.

Each is free on \$2000 property bond, subject to grand jury action. The suspects are: Mack Newton, 19, of 811 Jackson street, West Madison; Tommie Lee Jones, 22, of 628 Meredith street, Venice; Leroy Loving, 32, East St. Louis; and Dempsey Johnson, 24, of 15 (rear) Weaver street, Venice. Loving and Jones were captured Feb. 26 near the auto containing the missing wire and the others were arrested later.

Studebaker Firm Sued For \$3266 On School Job

A suit against the Tom Studebaker Construction Co. for \$3266 is on file in Madison county circuit court for Mesker Brothers Iron Co. of St. Louis and the Livingston school district.

The complaint claims that the amount is due for the building materials furnished on a \$268 contract dealing with school construction. A co-defendant is the Maryland Casualty Co. provided a construction bond.

Card of Thanks 32
The family of BEETHIA BONNIVAR sincerely thanks their many friends for the kindness, sympathy and beautiful floral offerings extended at her death. Special thanks to past, present, Rev. McDaniel and musicians.
We wish to express our sincere thanks and appreciation to our many friends who were so kind to us during our recent bereavement in the loss of our beloved MRS. BEETHIA BONNIVAR. And also for the beautiful floral offerings. Special thanks to Rev. G. Clark, MRS. ESTHER RAUB AND SON AND FAMILY.
The family of WILLIAM H. MOSS sincerely thanks the many friends and relatives for kindness, sympathy and beautiful floral offerings extended at his death. Special thanks to Rev. Collins, choir director, Mt. Zion General Baptist Women's Society, Mercer's, Granite City Police Dept. and pallbearers.
In Memoriam 33
In loving memory of KATIE MOSS, Feb. 27, 1900 to March 2, 1963.
Only those who've loved and suffered
Lost by death can ever know
How in anguish do the heart
Snap and tremble 'neath the blow.
Only those whose heart attachments
Bring to sweet memories.
Only those whose loving fingers
Have caressed life's lingerings.
These and other memories will
Linger that sorrow has to go.
Life is hard and mostly strange
And we bear a heavy load.
But when death in shadows
Gather
There's a dark and lonesome
But the sting of death is con-
quered by the Son of God.
He alone can bring us comfort
And can ease the Chastening rod.

Mill's Club Added \$1000 To Its \$46,000 UF Pledge
The \$301.35 mark reached in the Tri-Cities Area United Fund drive was aided materially by a last-minute contribution by the Tri-Cities Area 30-Minute Club with nearly 4000 members.
Carl Baczenas, club board chairman, announced Friday the additional \$1000 pledge was in addition to the initial donation of \$46,000.
"Our club," Baczenas said, "has become increasingly successful and has a little more money to donate to worthy causes than we originally thought. Realizing the United Fund drive fell somewhat short of its goal, our board felt this would be a logical place for us to up our budget a little."
The 30-Minute Club budget for 1964 totals \$39,400, with funds donated by 80% of a 30 minutes pay a month.
The \$301.35 UF donations, while 96% of the goal, is the largest amount ever subscribed for the agencies.

Mystery Shooting Begins To Clear
The mystery of the Feb. 22 shooting of racketeer boss Frank "Butcher" Wortman has been partially uncovered by Madison County Chief Investigator Louis Bowman and Deputy Coroner John Cooper of Granite City, who Friday said they had traced the shooting to Kelly's Tavern near East St. Louis. Who did the actual shooting has not been determined, but the location was changed from the original speculation that it had occurred in the Wortman-controlled Paddock Lounge in East St. Louis. The Madison county deputies are giving their data to St. Clair county authorities.
The shooting is believed to have followed an argument over the desire by Wortman to place his cigarette machines in the club's bar.
Wortman became angry with two other patrons and a bartender followed in which an unidentified man drew a gun. Wortman was interviewed by the deputies at St. Mary's Hospital, East St. Louis.

DO YOU TAKE VITAMINS AND STILL FEEL TIRED?

If you take vitamins and still feel tired, your trouble may be due to iron-poor blood. Vitamins alone can't build up iron-poor blood. But Gintrol can! Because just two Gintrol tablets, or two tablespoons of liquid Gintrol, contain 7 vitamins plus twice the iron in 1 lb. of calves liver.

In only one day Gintrol-iron is in your bloodstream beginning to carry strength and energy to every part of your body. Check with your doctor and if you've been feeling tired because of iron-poor blood, take Gintrol, liquid or tablets, every day. You'll feel stronger fast in just 7 days or money back from Gintrol.

Lions Advance Plans For Pancake Brunch

The Madison Lions club advanced plans for its pancake brunch set for March 27 during a dinner meeting Thursday night. It was reported that ticket sales indicate a success.

Since Sissy and Associate Judge Austin Lewis reported that about 100 persons attended the club's Sweetheart dance the previous Saturday night.

A communication was read from the Tri-City Shrine club commending the Lions for sponsoring a trip for students to the Southern Illinois University campus at Carbondale.

A report was presented by Paul Lunsford, chairman of the eye glass program for students, as guest was Edward Hommert, who received a talking lion record from the club as part of its program for blind persons.

The meeting was conducted by Jerry Maers, club president about 30 members attended.

Physical Fitness Course To Be Offered At YMCA

Several forms of physical conditioning will be taught at the YMCA by Joe Southard of East St. Louis, holder of the world record in the curved lift.

Body building with weights will be offered to teenage boys on Mondays and Thursdays. Deep stretch deep contraction system of physical fitness will be offered in separate classes for men and women.

The course includes isometric contraction, but is different from each. Besides holding the world record, Southard was Mr. St. Louis, the St. Louis lifting champion, Missouri state lifting champion, Ozark AAU lifting champion, "Man of the Month" in Strength and Health magazine, winner of "International Muscle Control" holder of the American cable pulling record, and others. He currently operates the Olympic health club in East St. Louis. Additional information may be obtained by calling Mrs. Lee Jeff or Brian Brunsman at the YMCA.

MORE ABOUT Preparations Made

(Continued from Page 1.)

Individuals respond differently and exact data is not yet available, some experts believe a booster dose should be given every three to four years.

Q. After a person takes the vaccine how long is it before he should begin to get protection?

A. Protection should begin in two to three weeks. Q. What about those old people who may have already been in contact with polio and may therefore now be immune? Should they take this vaccine?

A. Yes, very few of us know if we have acquired natural immunity to one or more types of polio. To play safe older people should receive this vaccine to protect themselves as well as their loved ones.

Q. Who is eligible to receive the vaccine?

A. Everyone. However, infants should be revaccinated at about one year of age.

Q. What about those who have received previous Salk polio shots?

A. A complete series of two injections of the new Trivalent vaccine is recommended regardless of any previous shots.

Q. Suppose all members of a family but one get the vaccine, is there a possibility that the person may become immunized from the others?

A. The person who did not take the vaccine might become immune through transmission from other members of the family and this would of course be a beneficial effect. However, this procedure cannot be depended upon.

Q. Does this vaccine help to protect against all types of polio?

A. Yes, we are fortunate in getting the new Trivalent vaccine. It contains a blend of the three strains of monovalent vaccine. It is taken by mouth and only two injections are necessary for basic protection, instead of three.

Q. How many doses of the vaccine are needed?

A. Two doses spaced about eight weeks apart.

Q. Why is it necessary to take the vaccine now, when we do not have any incidences of polio in this area?

A. The nation is enjoying relative freedom from polio right now, but it is well known that this disease comes and goes in waves. There is therefore no assurance that the present situation will continue. By the same token we do not have any cases of smallpox, yet we continue to be vaccinated against this disease. The principle is the same, and through this new oral vaccine, we hope to make polio a rare tomorrow as smallpox is today. Experts feel that it is better to conduct a program like this before an epidemic strikes rather than wait until it is here.

Q. What does the vaccine taste like?

A. It is a pleasant-flavored liquid, designed to appeal particularly to children, who are very susceptible to polio.

Q. Would an overdose of the vaccine be harmful?

A. No. In carefully controlled tests, measured overdoses of the vaccine have been given, with no harmful after-effects.

Q. Where can I obtain additional information or answers to other questions on oral polio vaccine?

A. From your doctor.

County Cafe Burns, Arson Is Suspected

Arson was suspected in a fire which caused \$5500 damage at the Red Mill restaurant, 9407 Collinsville road, Collinsville township, at 10:35 p.m. Thursday, according to the sheriff's office.

Oil had been poured on the floor the night before, it was reported by Delbert Lowry, chief of the State Park Place volunteer fire department, and two cars were seen to pull behind the restaurant about an hour before the fire started. A two-gallon oil can was found across the highway.

Lowry said he would refer the case to the state fire marshal's office. It was the second fire in the area within 24 hours as a two-story building owned by Willard "Nig" Ford at 2 National Blvd. Ford recently was convicted of keeping a house of prostitution at the building. Arson also was suspected in this case and has been referred to state authorities.
